PROJECT MISSION

The Hazel Project mission is to reach out with the love of God to the vulnerable and homeless street community in Southampton.

We aim to befriend, support and love them with the love that Jesus has shown us.

We build long-term relationships of integrity, trust, respect and consistency.

From street homeless to recovery and beyond. We are there for every step of the journey.

HIS PEOPLE

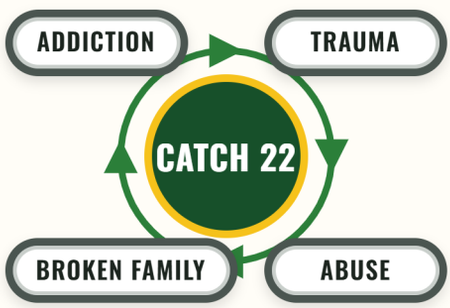

The street homeless are God's people, precious and loved by God.

THE CHALLENGE

Homelessness is rarely just about having nowhere to sleep. Many people are trapped in a cycle of complex challenges:

These challenges are deeply connected and can be difficult to break free from alone. That's why we offer **God's hope, support and practical help** to break the cycle and build a new future.

WHY WE DO IT

Inspired by Jesus and from scripture and the Holy Spirit.

Psalm 107:13-14

Then they cried to the Lord in their trouble, and he saved them from their distress. He brought them out of darkness and the shadow of death, and broke their chains in pieces.

WHAT WE DO

OUTREACH

We go to where people are, offering warm drinks, food, clothing and friendship. We listen without judgement and build trust.

ADVOCACY

We help people navigate available services and access the support they need including housing, benefits and healthcare.

RECOVERY

We are a pathway charity working with detox and rehabilitation centres to help our friends reach a sustainable recovery.

Together we can make a difference
